Organizational Change

Psychological Safety and
Resiliency

Diversity, Equity,
Inclusion, and Belonging

Strategic Design and
Implementation

Project-Based, Retainer,
and Fractional Services

Specializing in Human and Organizational Behavior

Popular Services:

Design and Deliver

- Customized workshops and learning sessions
- Facilitated planning and strategy development
- Organizational health and employee engagement surveys
- Material and policy review for bias, stereotypes, stigma, ableism, inequities, and similar issues

Facilitate and Advise (example topics)

- Coping and Resiliency: Strategy Sessions
- Psychological Safety: Cornerstone of Welcoming Workplaces
- Humanizing Interactions and Experiences
- Leading in the Workplace: Diversity, Equity, Inclusion, and Belonging (DEIB)

Works frequently with:

- Business and community leaders who are struggling with change fatigue, employee engagement, or overwhelm
- Executives who are interested in strategy sessions or small group discussions (reorganizations, leading teams through uncertainty, culture change)
- Organizations interested in improving psychological safety in their spaces
